NOT A LUXURY

A Safe Deposit box is not a luxury. It is not something intended only for the wealthy.

It is a place of security, at nominal cost, for any object the loss of which would bring regret to the owner.

The protection is constant—twenty-four hours every day in the year.

New Bedford Safe Deposit and Trust Company

TWO FAMOUS BABBITT PRODUCTS

The **BABBITT** *Adjustable* **SPROCKET RIM** *with Chain Guide*

has met the demand for a universal device for operating overhead valves of every make and description.

It fits any style of valve,—either rising or non-rising stem. It does away entirely with all clumsy and specially made chain wheels.

It clamps right on to the hand-wheel that is now on your valve and can be attached in ten minutes.

And Rus-go

A chemical combination of rust-eating oils of a non-acid nature, guaranteed to loosen the tightest and rustiest of joints and clean rust from metal.

Combined with flake graphite it becomes the most wonderful automobile spring lubricant. Put up in pint, quart, one-half gal. and gal. cans.

NEW BEDFORD

House and Street Directory

1922-23

Copyright 1923, W. A. Greenough & Co., Boston, Mass.

Houses and places of business, designated by their street numbers, are arranged alphabetically by streets and in numerical order.

The location of each alley, avenue, court, place, road, square, street, terrace and way is given, also the intersection of all other streets, in bold face type.

If you wish to know which streets begin at, end at or cross Acushnet av look at Acushnet av and you will find 93 Rockland begins, 158 Howland ends, 131 Grinnell crosses, etc.

The streets of New Bedford, with a few exceptions, are laid out north and south and east and west. Those running north and south number, with a few exceptions, from the south, with the even numbers on the east, and the odd numbers on the west side. Those running east and west begin to number at the river and increase westerly, with the even numbers on the south and the odd numbers on the north side.

The * preceding any number indicates a telephone at that number.
